

Unlock the Power of Financial Market Expertise

with Navesink International

Win your most complex cases with the help of Navesink International, the premier expert witness firm for financial markets in the world. We are the trusted choice of renowned attorneys and esteemed law firms, offering unparalleled expert witness and legal consulting solutions for plaintiffs, defendants and government agencies.

Why Opt for Navesink International?

▣ ELITE EXPERTISE:

We pride ourselves on delivering expert witnesses of the highest caliber, with unparalleled technical skills.

▣ COMPREHENSIVE EXCELLENCE:

From exhaustive case analysis to compelling expert witness testimonies, we provide an all-in-one solution tailored to your needs.

▣ MASTERY ACROSS ALL ASSET CLASSES:

Our competency spans across equities, commodities, fixed income, currencies, interest rates, and crypto & digital assets.

▣ VETERAN EXPERTS:

Our uniquely qualified experts are experienced professionals, chosen through peer recommendations to ensure top-tier technical prowess.

Proven Success – Our experts deliver results

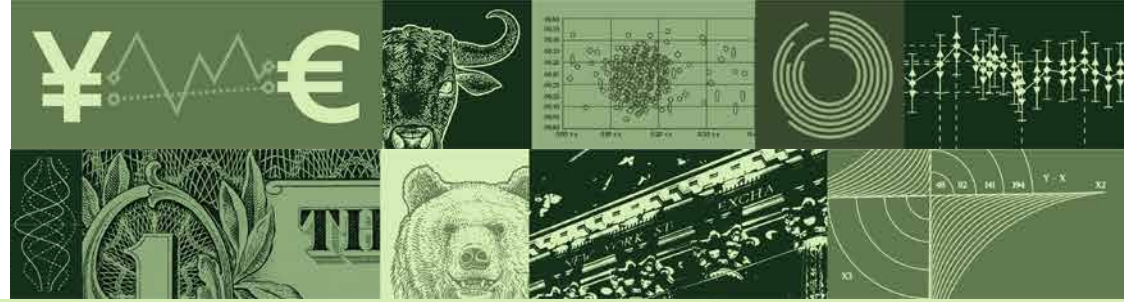

Plaintiff: We reverse-engineered a bond convertible into warrants, calculated its ex-ante and realized rates of return, proving that the loan was usury.

Defense: We explained how a combination of trades constituted an exotic Formosa structure, correctly reducing a corporation's income tax.

Legal consulting: We explained the option trades of a rogue broker affecting a large number of client accounts, facilitating a FINRA investigation.

Choose Excellence. Choose Navesink International. Win Your Case.

Our Wide Spectrum of Services includes:

-  Analysis of the facts of the case
-  Discovery reviews and suggestions
-  Review of the arguments' technical strengths & weaknesses
-  Expert witness testimonies
-  Expert witness reports
-  Expert witness depositions

Hear What Clients Are Saying:

Wow! You were absolutely fantastic. It is obvious that you are no stranger to this material, and you absolutely nailed your testimony. We very much so appreciate your flexibility, willingness to work within the last-second changes of which there were so many, and most importantly, your fantastic report and testimony. ”
